The Black Powder Committee would like to thank all of you for participating in our match. Without your support it wouldn't happen. If you have any suggestions on how to make this a better match please contact me.

New state records were set by Ray Saltzman (96-1X wow!) Ray Hopkins with his muzzleloader (91 also wow!) and senior Lew Owen (86). Congratulations on your good shooting. As you know, the weather did not cooperate on Sunday. Our new policy is as follows: If it is raining at the 7:30 shooters meeting we will wait until 10:00 am to make a final decision to end the match early.

We certainly hope to see you at the 800 – 900 - 1000 Regional held at Grayling in August. Many thanks to our committee members and also John Wilson for helping to put on the match, you are appreciated!

Good shooting
Paul Behe
