

**Michigan Rifle and Pistol Association - Highpower Division 7/2/2005  
The Tri-State Regional Championship - 80 Shot Regional Match Course**

**Despite a cross-fire in the offhand stage, Kent Roach (center) managed to take the Gold in the Tri-State Regional on July 2, at Fort Custer. Kent's score of 787-30X, was followed closely by Kim Copenhaver (right) score 787-25X and Nick Till (left) score 787-20X. This was a match where all three medallion winners had the same score, but varying "X" counts, which determine the winners in case of a tie. Detailed match results follow on the next page.**

**Kent used a modified AR-15 match rifle or "Space-Gun" and was the winner in the match rifle division. Nick was the high service rifle shooter in the regional. Both Kent and Nick will receive five boxes of Sierra Bullets for winning in their respective rifle divisions.**
