The Black Powder Division's match season came to a close with the Black Powder Target Rifle Regional Championship held at Grayling on Aug. 19 & 20. The usual contingent of Ohio muzzleloaders along with our friends from Wisconsin, Indiana and Illinois joined the rest of us Michiganders to shoot a Creedmoor style match (800, 900 + 1,000 yds.). The Michigan resident with the highest score also became our Long Range State Champion. This year the winner of the regional as well as the State Championship was veteran shooter Don Leidich. Don set 3 national records at the match as did our shooting nurse Barbara Walters with 4, John Whittemore with 3, Fred Johnson with 4, and muzzleloader Dave Munch with 4. Most hearty congratulations on your fine shooting! The committee would like to thank all of you who shot with us in the 2006 season. All in all the weather for our matches was really good and everything ran smoothly. Remember, we put these matches on for you. Any suggestions to improve them will always be considered. Don't forget that Ron Walters is having a 2 day mid-range match in Cadillac on Sept. 30 - Oct. 1. Course of fire will be (5) 15 shot matches all fired at 600 yds.

Your Committee,  
Paul Behe, Ray Saltzman, Ron Walters, Steve Decker, Charles Bowen & John Green
