Many thanks to all the competitors who attended the Ultimate Long Range Championship. We had shooters from Ohio, Indiana, Illinois, New York, Wisconsin, Idaho and Jersey in the U.K.! The weather was absolutely perfect for a change with mild temperatures, sunny skies and light winds. Thanks to Brad Ryan and John Wilson; committee members Ray Saltzman, Ron Walters, Brad Tipolt, John Green, Steve & Jodi Decker, Charles Bowen and our faithful EMT Barb Walters, who set a women's 1000 yd. 15 shot national record. We hope to see you all at the regional shoot in Grayling on Aug. 19-20. Remember that the barracks are available to stay in for free and you must pre-register for the shoot by calling or e-mailing Paul Behe before Aug. 12. 586-463-7967 (leave a message on recorder) or e-mail @ spidercontrolinc@aol.com. WE HOPE TO SEE YOU THERE!!
