The season ended on a memorable note at the NRA Black Powder Target Rifle Regional Championship held at Grayling on August 18-19. The weather was nearly perfect with mild temps and light winds, something that you rarely see in combination at Grayling! Congratulations to Barb Walters and Ray Saltzman on their new national records and very special congratulations go out to muzzleloader Ray Hopkins who not only set new national records himself, but won the match and the coveted gold medal. I would bet that a muzzleloader hasn't beaten the cartridge guys in a head to head competition for at least 120 years. Way to go Ray! The committee would like to thank all the competitors who came from near and far to shoot with us. We really appreciate your support. Thanks also to the following sponsors who very generously donated prizes to be drawn for at the match: Dixie Gun Works, Henry Rifle, King Machine, Midway, Redding Reloading, SPG, Starline Brass, Thompson Center, Treebone, Walters Wads. Lastly, I would like to thank the members of the B.P. committee who help run the match, paste targets, squad and do the grunt work etc. You are appreciated greatly. Last, but not least, many thanks to our lovely nurse Barb Walters who watches over us like a guardian angel and keeps us from becoming too rowdy like men are prone to do. Hope to see you all next year.
