With temperatures in the 60's and 70's most of the weekend and the rain holding off till we had just finished shooting on Saturday, the match was quite enjoyable. We could have done with less dancing of the wind flags as it at times got pretty much impossible to read the wind. It was hard to explain why shots were going where they were. But that's all part of the game! Congratulations to the winners and the new national record setters. The Black Powder Committee (Brad Tipolt, Brad Ryan, Charles Bowen, Ray Saltzman, Ron Walters, Steve Decker & Paul Behe) would like to thank everyone who came out to the match from near and far. If you ever have any suggestions or comments please feel free to e-mail Paul Behe at spidercontrolinc@aol.com.
