Long Range Regional Recap – July, 2007

We had about 2 dozen competitors at our Long Range Regional match held at Camp Grayling National Guard Base this past weekend. Attendees came from Minnesota, Wisconsin, Illinois, Indiana, and Ohio, in addition to a long list of Michigan regulars.

The winds were a bit kinder on Friday but returned to their usual challenging intensity by Sunday. The bonus 1000 yd. Match on Day 1 of the Regional (Saturday) was cancelled due to a 3-hour rain delay. We also had to delay shooting for the last relay of the day when a sudden downpour occurred.

The big winner was Bryan Litz, from Ohio, who won the aggregate two of the 3 days, the grand aggregate and the Regional. Bill Lair, who traveled all the way from Minnesota to shoot with us, won the Day 2 aggregate.

Winners of the Regional are:

Bryan Litz	Gold	881-36x
Peter Church	Silver	879-45x
Wayne Daniel	Bronze	878-37x

Good Shooting Guys!

We also had a reporter attend to take photos of Vikki Gaddie, a member of the Young Eagles, for an article.

John Homatas, from Illinois, supplied us with a wonderful entrée of venison sausages for the cookout, which was well attended by the competitors, spouses, and children. It's a fun time to unwind and relive the moments of the day amongst fellow competitors and friends.

Our next match is September 15 & 16 at Camp Grayling. We will be shooting a Palma + bonus 1000 yd. on Saturday and a 3x1000 yd. on Sunday. Please mark your calendars.

Good luck to all at Camp Perry, the Canadian Nationals, and also to the US Palma Team.

Regards,  
Renzo Tormen, Match Director
