

Camp Grayling
June 7 & 8, 2008

We had a modest but highly motivated turnout for our Palma Field Championship, with 15 competitors on Saturday and 10 on Sunday.

Although forecasts may have frightened away some people, the gods were with us. The weather was excellent both days. The wind was its usual challenging level on Saturday; Sunday it was fairly benign. And the instant we clamped the lock on the target shack after Sunday's last match – it poured.

Saturday's Palma Aggregate winner was Bob Steketee with Brian Litz and Pete Church closely following. Ken Orris looked good in Master class, as did Jim Dietlein in F-class.

On Sunday, Brian Litz triumphed in Any/Any. Barb Walters looked great in Master class along with Jim Dietlein in F-class.

Wayne Daniel's son looked good with a baseball and glove; he also received his inaugurating forehead lump earlier than most kids.

Thanks to our Friday stalwarts for setting up the range. Also to Ron Walters for acting as Safety Officer.

We didn't have a barracks this June – an admitted NG mistake for which they apologized. For ourselves, we can only thank all of them for being our saviors all other times.

Cheers,
