

**Camp Grayling
Sept 13-14, 2008**

Long Range Championship Recap

Eighteen competitors enjoyed the wind, sand, and gun smoke of our Long Range Championship this September. In addition to a long list of Michigan regulars, we also had a special batch of Pennsylvania shooters.

The weather gods threatened and, ultimately--it was a draw. On Saturday, we got through our Palma sequence, only to be snookered by the rain in our bonus 1000 yarder. On Sunday, we got through our first 1000 yd. match, only to have our last two rained out again. Our shooters could take it but our targets would not, finally refusing to respond to the pasters.

Our Michigan State Champion this year was Renzo Tormen of Plainwell with a 636-28X. Closely following Renzo was Bill Hammers with a 633-18X. Mark Trew of Sarver, Pennsylvania followed with a 632-30X.

Congratulations also to our Junior girls, Vickie and Hannah Gaddie--The mentoring shadow of Bob Steketee has obviously made itself felt.

Our F-class shooters are really getting better! Alan Barnhard cleaned up with a 640-30X. And Bob Lorenz is clearly underclassified with a 610-10X. But Jeremiah Hoover and Ken Orris also looked real good!!!

Our next Camp Grayling match will be in May.

Check the web site early next year for our 2009 schedule and match bulletins.
