Thanks to all of the competitors who came from near and far to compete in the 2008 Grayling Long Range Black Powder Target Rifle Regional Championship. The weather was near perfect except for the tricky quartering tailwind that just about drove everybody nuts. Congratulations to Don Leideich on achieving the Gold Medal and becoming the State Champion. Good job shooting to all the other winners. Congratulations also to Paul Behe for setting new national records (pending verification) in every scope category he shot. Special thanks go to Joe Hepsworth for his very generous donation of full size 1000 yard targets and also for re-donating the Muzzleloading Rifle which he won in the grand prize drawing. Jim Kluskens of Wisconsin was fortunate enough to win it on the second drawing. Also many thanks go to our nurse Barb Walters who always seems to keep us in line. We hope to see everyone next year at our matches at Cadillac and Grayling. If you have any suggestions on how to improve our matches please contact Paul or Ron and let us know.
