300 yd\*, 91-1X

300 yd\*, 99-4X

\*reduced targets

The BP committee thanks all who came out to the 2009 Michigan Mid-Range State Championship. Despite an early Saturday morning rain everything went on as scheduled with the rain stopping as shooting started. Ultimately it was a beautiful weekend at a great park-like range with perfect conditions at times and the usual baffling winds moments later. Congratulations to our State Champion Jim Dietlein and to the Scope State Champion Paul Behe and to all the above mentioned national record setters. Don't forget the MRPA hosted Governor's Trophy - Ultimate Long Range Championship at Camp Grayling June 27-28. For more info contact Paul Behe at 586-463-7967 or e-mail at spidercontrolinc@aol.com or Ron Walters at 989-422-3050 or e-mail at hepburn@ejourney.com.
