M/L	Jesse Daniel	75	82	DNF	30	DNF	187	2nd M/L

We had a great time at Grayling with unbelievably calm wind all day on Saturday. None of the shooters had ever seen it so calm for an entire day. Sunday was typical Grayling though, with calm conditions on the first relay and 15-25 MPH winds on the last. We had 16 state records and 4 tentative new national records set. Thanks to all the competitors who came to our 2011 matches. We always look forward to shooting with you and then swapping lies around the picnic table after the match. We hope to see you at Ron's mid-range match at Cadillac on the first weekend in October. Until then, stay safe.

Your committee: Brad Tipolt, Sue Montross, Brad Ryan, Ron Walters, Ray Saltzman, Steve Decker, Paul Behe
